

MY ONLINE#RULES

Hi,
I'm Loopie.
I ♥ coding!

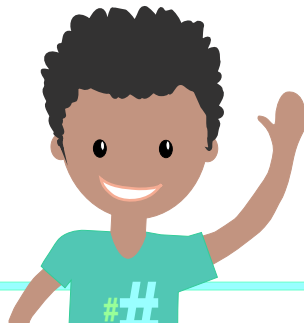

I WON'T

- # Share my personal details with anyone online, including my full name, address, phone number, school I go to, photos, passwords etc.
- # Accept friend request from anyone I do not know personally. I am careful who I communicate with as online friends are not always what they seem.
- # Click on any links, files or pop-up windows if I don't know where they take me.

I WILL

- # Ask my parent or trusted adult which sites I'm allowed to visit.
- # Stick to these rules as they are there for my own safety.
- # Talk to my parent or trusted adult if I am worried about something I have seen online. They are always there for me and I can tell them anything.

I'M STAYING SAFE!!!
